

ENGINEER

Ebrahim Samir

Software Engineer · Flutter & Web

Software engineer with 4+ years of experience building production-ready mobile apps, websites and dashboards. Shipped 10+ apps to the App Store and Google Play for clients in 10 countries including Egypt, the Gulf and Germany. I work with Clean Architecture and SOLID, set up CI/CD for automated releases, and add AI features to products.

Software Engineer — Flutter & Web

2022 — Present

Freelance · clients in Egypt, the Gulf & Germany

- Designed, built and shipped 10+ Android & iOS apps in Flutter with Clean Architecture and BLoC.
- Built websites, online stores and dashboards with Next.js and Supabase, with full Arabic RTL support.
- Set up CI/CD with GitHub Actions and Fastlane for automated store releases.

Platform & App Developer

Deutsch Welt Akademie

- German learning platform (A1→B2) with DRM video, books and an admin dashboard — Next.js & Django.
- Mobile app built for learners in Egypt, the Gulf and Germany.
